

# TALK IT OUT

**Thank you for coming out to discuss the future of Hattiesburg!**

Say hello to your tablemates and your group leader—during this workshop, you all will be genuinely exploring each other's **perspectives and experiences of your City**, so get comfortable! Each of the following four questions corresponds to one of the boards in front of you.

## 1 SPIRIT OF HATTIESBURG

What do you hear from your neighbors, coworkers, friends (who live/work in Hattiesburg) that is really **outstanding** about the city? What are people's biggest **misconceptions** about Hattiesburg? What have other people told you really needs some attention?

## 2 ENVIRONMENT & SAFETY

Recognizing that all services and facilities come with costs, what should the city be **prioritizing** to improve the community? What is the **baseline** that should be met to feel like a **safe** city?

## 3 GROWTH

What are the **criteria** we should use to measure whether Hattiesburg is a **successful** city? Wealth? Things to do? Good jobs? Something else?

## 4 LIFESTYLE

In what ways has living in Hattiesburg met your **personal** needs? What parts of your life that are either **stressful** or unsatisfying do you think the City could do something to make **easier**?
